Parents/Juniors: You Must Read This!

If you know a junior or maybe even have one around the house you need to be aware of a special program this year with the **NCGA & Eureka Golf Course. \$2 Green Fees, \$1 Range Tokens. NO COST TO SIGN UP!** Now that I have your attention, a junior affiliate membership with the NCGA is available for sign up online. With the membership card and appropriate "sticker" green fees and tokens for juniors will be available at the above rates. There are very few limitations in regards to time, Weekend Mornings and Holidays before noon

are excepted. Proper course conduct, safety, pace of play, personal use only on range tokens, etc. are expected.

Go to ncga.org and follow the prompts below

Juniors, Youth on the course, Juniors Only, Curriculum, Sign up at bottom of page

I understand there is about 1 to 2 hours of online reading and testing that must be completed to earn a Junior affiliate membership. Subjects include life skills, integrity of the game, history etc. as well as some golf etiquette and safety. That's it. Let's get all juniors involved.....this removes price as a barrier to learning and playing the game that will last a lifetime.

INSTRUCTION

Come and visit us soon, the Driving Range is open every day regardless of the course condition, so come on out and practice that swing. It is easier to trust it when you have a better idea what is likely to happen. If it isn't quite what you would like, see above note on free clinics, visit during Tips on the Tee, or set up an individual lesson with one of our PGA professionals on staff.

For more info on any of these events, or to sign up please call the Golf Shop at 443-4808. Hope to see you on the course!
