Come on Out!

GET GOLF READY a national PGA sponsored set of clinics and instruction that is designed to introduce the game of golf to new and beginner players. Learn why the clubs are designed the way they are, the differences between woods, irons, & hybrids. Get comfortable making a reservation for a tee time, getting range balls or just showing up to play. Learn etiquette, safety and how to move around the golf course at an enjoyable pace of play. Of course swing fundamentals of grip, posture and alignment along with the swing and common shots like chipping, putting and bunker play will also be covered. Class is an hour and fifteen minutes once a week at the same time. Class size is limited to the first 8 that sign up. The next available session begins on **Tuesday May 18th @ 5:30 pm** with the other 3 classes on, Thurs, Fri, May 20th, 21st @ 5:30-7:30 and Sat, May 22nd @ 4:00 pm. The next series starts on **Saturday June 5th @ 2 pm**, and **Tuesday June 8th @ 6 pm**. If you know someone, a spouse, neighbor or colleague who has expressed interest in learning or you think might be interested please pass this information along, a better opportunity to learn this great game will be tough to come by. Five days to get a solid beginning in the sport of a lifetime!

Fees for the 6 hours of instruction is \$49.95 and include; two nine hole passes (value \$26) as well as 2 for 1 range tokens during the five weeks of classes for practicing between lessons, saving \$3.50 per token. **LEARN THE GAME OF A LIFETIME** for under \$20 if you take advantage of the above offers.....that's \$3.35 a class, less than the cost of a range token....Don't wait.

Daylight savings time is here so there is plenty of time to sneak in 9 holes after work. Twilight rates start at 2:00 this month with super twilight beginning at 4:00 pm. The popular \$7.00 @ 7 pm, is available @ 6:30 pm in May, moves to 7 pm for the summer. Dust off those clubs and come out to the range this weekend. Time to GET GOLF READY. Give us 5 days and learn the sport of a lifetime, see class times and rate information above. Saturdays @ 1:00 pm and Wednesday Evenings @ 5:00 pm during the month of May, we have "Tips on the Tee", where a member of our PGA staff will be available on the tee line giving out free swing tips and answering any questions. Just get our attention as we go from one player to another. Tokens are available in the shop at regular fees.
