

Dear E-club Member,

Happy Easter! It is raining now, again, but the weather forecast is good beginning Tuesday for a WHOLE WEEK. It will take a couple of days to dry out a bit, but we are hopeful to get the course dried out, mowed and in good playing condition by the weekend. The season opener for Men's Club "Play the Flag" is set for this coming Sunday the 11th. Sign up individually or put a team together and call the golf shop. Take advantage of the good weather, dust off the clubs, put the DVR on to record the Master's and come out to play. This is Master's Week, so the customary contests are available for those that like to participate. Schedule Highlights:
