

Eureka Golf Course

Dear E-club Member,

We have started the year off with a little more rain than usual. As we speak, the course is very wet but playable. The course drained after the heavy rains last week by Saturday morning. The work we have done on the course (dredging, #9, #11, drainage, #11 cart path) has helped make the conditions better, but nothing beats a few days of sun this time of year. For those of you that have been following the sewer project through the course, it does not look like it will happen this year. The Annual SUPERBOWL SCRAMBLE is scheduled for superbowl sunday, february 7th. Open to all Men's Club members or prospective members and guests with a handicap. Entry fee is \$20, shotgun is @ 8:30am, sign up individually in the golf shop or call 443-4808. Pairings will be by computer, ABCD. There is no planned meal for this event, the entire \$20 will be in the prize fund.

Men's Club Members: For those of you who do not have current email addresses in the golf course POS system, we encourage you to update this information. If you do not have an email address, yet know someone who will copy you on notifications, we encourage you to add that email address to our system. The Men's Club is attempting to go paperless as much as possible. It is in everyones best interests to do so. As we are better able to communicate with our membership and we eliminate the mailing costs (\$150+ for each notice) of sending out notices, we can add these savings to the prize funds of late season events. See bottom of newsletter for copy of 2010 schedule.

Thanks to the Men's Club we can all enjoy a new TV in the snack bar/grill. This was purchased with the money earned through recycling your cans and bottles at the golf course. So please continue to use the designated recycle containers, maybe even drop some off from home, each dollar goes toward some course improvement item.
